# What's an Alto Clarinet?!

*My students need an alto clarinet to play, practice on and experience.*

## My Students

Our young musicians are in grades 9 through 12 and eager to further their musical education. They have elected to pursue band as their gateway to music education.

*Our school is transitioning into a performing arts magnet school, so music will be the school's focus, but additional funding is necessary for this magnet endeavor to be successful.*

For many students, equipment is key to gaining these new musical experiences. Your donations will help this performing arts school happen and provide students with a bright future!

Grades 9-12

Del Sol Academy of the Performing Arts  
Las Vegas, NV

*More than half of students from low-income households* ⓘ

My Project

Bottom line, performance ensembles need a certain variety of instruments to create a concert band sound. The alto clarinet is larger than the typical clarinet and smaller than the usual bass clarinet. This instrument adds a unique quality to the band/woodwind group sound. It is also an instrument students should experience before moving on to college. Your donation will help us revamp our band program and give the students every chance to be the best they can.

*Your generous donation will help students become college ready and well-rounded woodwind players.*

These students are interested, involved and ready... we just need your help to make this a reality!

Donations to this project are now being matched, thanks to support from An Anonymous Arts Funder. Every child should have access to essential art materials and experiences. An education in the arts makes children well-rounded, engaged, and active citizens of the world. This project has been supported in an effort to ensure that all students gain from the many benefits that arts education provides.
